

Muhammed Abdalla, Isabelle Nguyen, Ahmed Benmensour

Project Proposal:

We will investigate how the growth in population has led to the use of more electricity since 1980 in the world

Data sets:

<https://openei.org/doe-opendata/dataset/annual-electricity-generation-1980-2009>

<https://catalog.data.gov/dataset/population-by-country-1980-2010-5911a>
